

**KONECRANES C-SERIES
ELECTRIC CHAIN HOIST**

Experience the difference

The new Konecranes C-series is our most advanced electrical chain hoist to date and the latest push in our continuous development. Built smart with the toughness, precision and reliability of our Core of Lifting components, it's designed for over a million operations. With the new Konecranes C-series hoist, you get a combination of ultimate usability, enhanced performance and the optimal lifetime value.

Facts at a glance

Duty class	Up to FEM 3m / ISO M6
Certifications	CE, RoHS, (CSA)
Lifting capacity	Up to 5000 kg
Hoisting speed	Multiple speeds available with a 4:1 ratio
Electrics and controls	<ul style="list-style-type: none"> • Robust pendant and cable • Low voltage control • Covers big range of voltages
Hooks	According to DIN 15401
Paint	Anodized aluminium frame painted with 70 µm epoxy powder
Chain	Galvanized load chain (T-grade)
Suspension	Bracket + a full range of trolleys
Temperature	<ul style="list-style-type: none"> • -20°C; +40°C /-4 °F and +104 °F (60%ED and 300 starts/h) • -20°C; +50°C/-4 °F and +122 °F (40%ED and 240 starts/h)
